

On[®] TV Entertainment Metadata

TRIBUNE
MEDIA SERVICES

Your audience relies on you for an infinite supply of program choices. TMS helps you deliver with the On TV GuidancePack and On TV DiscoveryPack, the complete solution for TV entertainment navigation.

The On TV GuidancePack shows them what's on.

Comprehensive TV listings metadata for shows and movies available anywhere across linear and on-demand platforms.

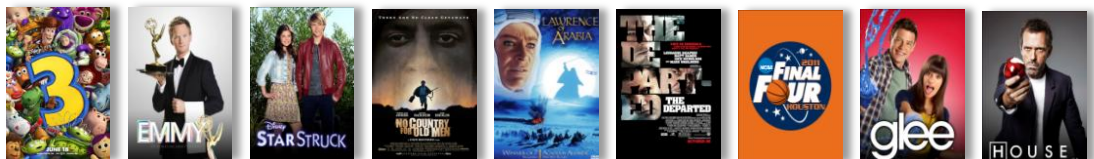

- Lineups and Schedules
- Online Video Data
- VOD Program Services

The On TV DiscoveryPack helps them decide what to watch.

Enhanced metadata that drives search, discovery and recommendations of shows and movies worth watching.

- Image Gallery*
- Recommendation Drivers
- Celebrity Profiles
- TV Showcards
- TV Best Bets and Movie Reviews
